

BROAD RUN HIGH SCHOOL BAND BOOSTERS ASSOCIATION FINANCIAL AID GUIDELINES

Financial aid is available to Broad Run High School (BRHS) students on an as-needed basis and is funded through the Broad Run High School Band Boosters Association (BRHS BBA). The BRHS BBA annually sets a budget for financial aid at the beginning of each school year. Financial aid may be available for students who desire to participate in the BRHS Band Program but who cannot afford the costs associated with it.

To request financial aid, please complete the document titled Broad Run High School Band Boosters Association Financial Aid prior to August 10th. Email the form to brhsbbafinance@gmail.com, or Mail the form to:

BRHS BBA
Attn: Treasurer
PO Box 1822
Ashburn, VA 20146

If a change in family status or financial position arises that creates a special need after the school year has started, requests for financial aid may be submitted until January 31st.

In order to preserve confidentiality, the BRHS BBA and the Band Director will review requests for financial aid at a special meeting of the Board that will not be open to the general membership.

After receiving and reviewing the application, the BRHS BBA will consult with administrators of BRHS to determine financial need based on information the information provided on this form, qualification for free or reduced lunch, parental employment status, interaction with the guidance office, and personal conversations with students. Students who are determined to have a demonstrable financial need after the above events occur will have part or all of their fees and band related expenses paid for directly and discreetly by the BRHS BBA. The amount of financial aid the Board is able to provide is dependent on the number of families seeking financial aid this year.
