Sponsorship Program

BROAD RUN HIGH SCHOOL BAND BOOSTERS ASSOCIATION

Broad Run High School's award-winning Band Program promotes music and the arts, discipline, teamwork, sportsmanship, responsibility, accountability and leadership in a way that is unique to the high school experience. Band students learn to accept and work with others who can be very different from themselves, and in band, some students experience peer acceptance for the first time in their lives. They learn that a good performance requires the best from every student – there is no “bench” in band, everybody is a starter and everybody is important to the end result. They are immersed in dedication and discipline, develop outstanding time-management skills, and learn that flexibility is key. Students who are active in multiple facets of the band program can spend well over 1000 hours per school year in practice, performance, preparation and travel, sometimes in extreme weather and unexpected circumstances, yet band students' academic performance is above average. Band students have the opportunity to explore music and the performance in great depth, and many of them pursue careers in the arts and teaching the arts.

The program is active in the Ashburn community: each year they promote concerts that are free and open to the public, and perform at local events such as Jazz on the Lake in Ashburn Village, and the Tree Lighting event at One Loudoun. The program includes two concert bands, marching band with color guard, Jazz Ensemble, Indoor Drumline, Winterguard, and several small, student-led ensembles.

Within the past five years, the Broad Run High School Band has traveled internationally, performing in London, England and Beijing and Xi'an, China.

The Broad Run High School Band Program offers all students the opportunity to participate in Marching Band, Winter Guard, Indoor Drumline, and numerous concert ensembles. No student will ever be denied the opportunity to participate in the Broad Run High School Band program due to a lack of resources.

The Broad Run High School Band Booster Association is a non-profit, board-led group of committed parents that provides additional funding and volunteer support to enable the students in the band program to engage in a deeper and broader array of activities, including significant travel opportunities. The Broad Run Band program runs throughout the school year resulting in the need to raise nearly \$85,000 annually and thousands of hours of volunteerism.

The Broad Run High School Band Boosters Association relies heavily on the generosity of community supporters (local businesses and families) to support our band students so they can thrive in a positive music environment.

Our Community Supporter Program offers you the opportunity to join our Team by making an investment in our greatest asset – our Youth. We offer various sponsorship levels to suit all budgets, which include a number of benefits to you.

Community Supporter Levels

Piccolo Level - \$100-\$299

Clarinet Level - \$300-\$499

Trumpet Level - \$500-\$999

Drum Level - Meal Sponsor

Provide a full meal of your choice to be served at Band Camp, Friday Football Game, Drum-a-thon or Fundraising Event for 95 students/coaches.

Tuba Level - \$1000+

The Broad Run High School Band Boosters Association is a 501(c)3 nonprofit organization. Your contribution is tax-deductible to the extent allowed by law.
